

Unveiling the Hottest Jam of the Year 2018

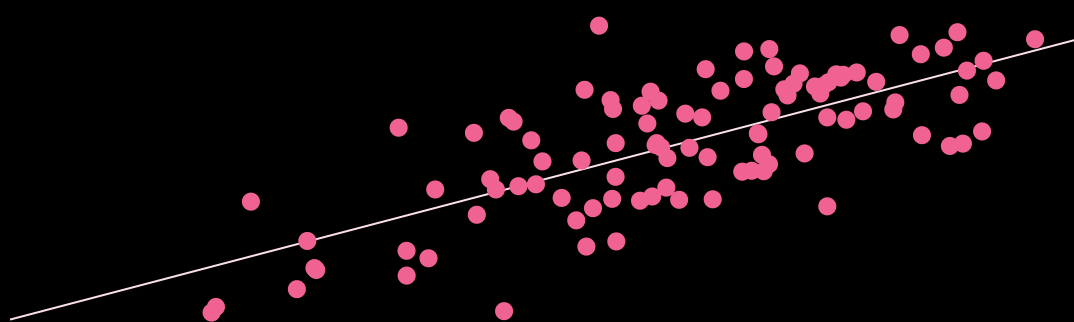

Exploring the Top 100 Songs of 2018 on Spotify

Post Malone and **XXXTENTACION** achieved a remarkable feat with 6 songs each in Spotify's top 100 of 2018. Following closely behind was **Drake**, claiming the second spot with four songs on the list.

Ed Sheeran and **Marshmello** shared an equally impressive performance, tying with three songs each in the year's chart-toppers.

The louder the sound, the more intense the energy.

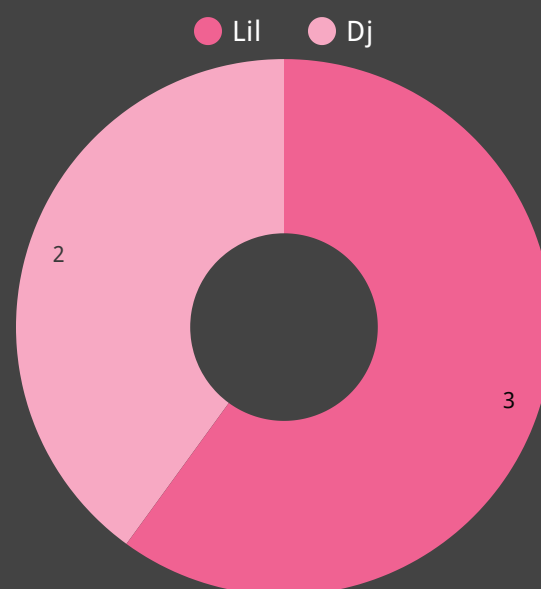

Based on our correlation, we can affirm that higher loudness levels are indicative of greater **energy** intensity.
